

### Now It's A Party 2003 Hartford, Connecticut

In the spring of 2003 I collaborated with students from the Hartford Art School on a public art project and exhibition. Now It's A Party was a series of seven projects undertaken in the community of Parkville - seven parties from small personal ones to more public oriented blow outs. Participants include Ellen Fagan, Maria Gabriela Galarza-Block, Katie Kaminski, Seth Krentcil, Mary Melendez, Cristiano Petrini, Caleb Portofolio, Earl Procko, Bonnie Rabbit and Nick Rice. Also musical guest Bro Danielson.
